“ Lucy Sheets was born on June 10, 2011 and passed away in her daddy’s loving arms on September 13,2025. They were the 14 shortest years of our lives. She came to us at 5 weeks old and was quickly attached to 9 year old Gavin. There is a bond between a boy and his dog that can never fully be understood. While she was the best dog in the whole world and we all loved her dearly, she knew Gavin was her person. We will miss her forever and always.
