“ Saying goodbye to a special pet can be the hardest thing of all. It's like losing a friend who was always there for me - a companion in times of loneliness, a comfort in moments of sadness, an everyday joy that touched my life. Saying goodbye to a special pet can be the hardest thing of all... until I remember I'd never trade one precious memory or one single moment spent with the pet who brought so much warmth to my life. And left so much happiness in my heart. I'll miss you dearly Ava may💕
