“ *Baby Girl was the first dog I had ever owned I got her when she was only 4 weeks old and had to bottle feed her and make sure she pooped my boyfriend didn't like dog and said he wanted nothing to do with her but I had to leave one day to get her some more milk and she started whining because she hated to be alone and when I got back I found my boyfriend and baby girl snuggled together sleeping and I knew then that he was going to love her and 19 years later he was here with her when she left us WE LOVE YOU BABY GIRL! ❤️🐶 You were an awesome addition to our family that is already greatly missed and your daughter misses you too*
