“ April lit a candle in memory of Blu Moler

“ Blu no words can express the love you gave us through the years & the love we had for you. There is an unrelenting pain & emptiness in our hearts without you here. I never wanted a pit bull because I was terrified of them but you showed me and everyone who met you that the stigma attached to pit bulls is absolutely wrong. You were the most gentle & loving dog there ever was. I am thankful for the many years we had with you & thankful that all the kids got to enjoy you for as long as they did. Run free on the golden streets of Heaven and keep watch over the babies ❤️ we love & miss you !
