“ Bo was born December 28, 2015 in Forgan, Oklahoma. He lived in Beaver, Oklahoma until his family moved to Tulsa in 2017. Bo loved treats, long walks at the Rose West Dog Park, staying in hotels (especially ones with elevators), car rides, pup cups from Starbucks, and most of all, his humans. Bo was welcomed to heaven by his big “sister” Ginger on May 20, 2024. He will be forever missed by his human parents, his human brother and sister, and his cat “sister” Rosie.
