“Buddy was my best friend. He was my family’s whole heart. Our hearts are shattered. Our BB was sure something special, he was our son. He understood everything we said, from “come on Boobie, let’s go, you wanna go outside, let’s go to the camper, I need loves”. Buddy, I miss the hair on your eyebrows moving up and down while you looked at us. I miss the sound of your toenails as you trot down the road or coming home, I miss your little scratch at the door when you were ready to come in. I miss you following me everywhere inside and outside and you sitting with us around the campfire. I miss you sitting with me, whether I was sitting at the table doing homework or on the couch-you we’re always there lying on my feet or my shoes. I miss you laying your paw on me and me holding your fuzzy little paw. I miss your sweet soft kisses and your smell most of all!!! I miss you yelling at us! I especially missed you this morning and every morning since you left. You got up with me every single morning just a yelling at me, like come on mom let’s go. You were such a good boy. Gosh, I miss our Boobie!! 🥹💜 Buddy Bushay I love you beyond words! When you left, you took momma’s heart with you. You were Junebug’s first born and I watched you come into this world 14 years ago. You were so timid and I was afraid people were going to be mean to you, so we kept you. It was the BEST decision. You completed our family! You will always be my Sha-Boobie! I love you Buddy!!! 💜
