Chewie

My Protector

2007 ~ 2019

# Tribute Wall

BE

“ Chewie was the best dog I ever had. He picked me. My in-laws had puppies. I played with all of them. I picked up the pup that became my Chewie, loved on him then set him down a few feet from his litter and I went inside. About 5 minutes later I went back outside and my little man was sitting there waiting for me. He rode home to Illinois from Oklahoma in my lap and never fussed once.
