“ I had known since her 2nd day on this earth.
She was very loving and had a cute disposition.
She had my two kids that called her "Sister"
because we treated her like family. She loved to eat and give
kisses.
She never met a stranger.
Her favorite thing to do was go to Arby's
and get the first bite of an original (she had to have first bite or she
moped around like a teenager that could not have her phone).

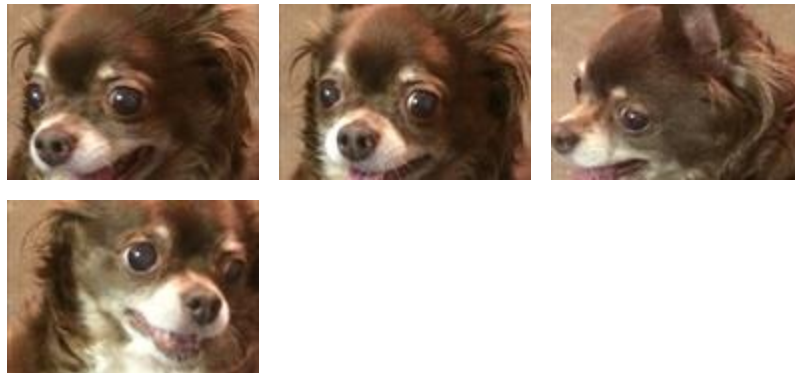

She took her last car ride today 4-18-2017.

You will be missed, baby girl!
