“ My first memory of Chico is : We had just laid Daddy to rest an went back to Moma an Daddy's. We were on the porch when Chico came up to me and hiked an pee'd. I guess it was better to be pee'd on then be pee'd off. I guess he wanted a Moma. I fell for Chico. I thank God for every day I got to be Chico's Moma. I love you Chico Da' Man always&forever.
