“ *Cicely Bee was a water loving girl. She traveled to many places and took to the hotel elevators like a pro her very first time. She is going to be missed so very deeply.* ”

“ *Cicely Bee was the sweetest girl! Every time I saw her, she would get so excited, she needed to pee RIGHT AWAY, it didn't matter if it had been hours since I last saw her, or years. It is such an honor to have gotten to know her while I lived there, and it was an honor to have continued knowing her through the years I have been gone, with stories, and pictures, and videos and updates every day. She was one of a kind and I'm going to miss her very much.* ”

“ *Cicely loved her family and never met a treat she didn't like! She loved to play in her pool and eat watermelon. We will cherish all the memories with our sweet Bee.* ”
