

Daphne Cooper

December 9, 2017

Daphne "Daffy Duck" Cooper
May 2011 ~ December 2017

Tribute Wall

SC

“ Daphne was the greatest!! We miss her so much. After losing her mate Deuce in May and then her 6 months later. It's been tough. All we have now is their pup 5 yr old yellow lab Benelli. We always called Daphne Daffy Duck or mamma once she had her pups. It's so hard to believe they are both gone now.
