“ *My sweet baby diesel, mommy and daddy miss you tremendously!! You got to eat more exotic foods than most people and have travel more than many. You've lived with us through our 20's trying to figure out our lives. You've lived in two states and another country. You've swam in lakes, creeks, and the ocean! I hope you are having the time of your life chasing bunnies and tennis balls up there in doggy heaven! We love you baby boy* ❤️
