

Dixie Jackson

March 10, 2019

Dixie, also known as "Dixie Cup", was a beloved Westie, who blessed our lives for 11 years. She battled pulmonary fibrosis for the past couple of years, and gracefully lost the battle on Sunday, March 10th, peacefully surrounded by her loved ones. Dixie was so playful, loving, uplifting, and had such a unique sweetness. She never failed to brighten anyone's day that had the joy of being in her presence. She loved chasing bunnies and playing with her toys, especially her ball. Dixie was a true fur baby, and will always live in our hearts and through our precious memories. Dixie, you'll always be our pretty girl, and know that you were, and always will be, so loved!!

“ Dixie you will be missed and forever in our hearts. I remember you most for how you loved playtime and your ball. You liked and sometimes demanded lap time/petting. When we came over you always stayed and played in the floor with us & Colton the entire visit. You were a grand dog to Steve and a great fur friend to me. Last summer we had lots of fun when I was blessed to stay with Colton. You tricked me several times to let you outside even after the rain. I thought you needed a potty break, but you knew the bunnies would be out. Your coat was covered in mud when you returned and I wondered how much trouble I'd be in when your mom & dad came home. When the hot water heater went out, your grandpa was helping your dad, any we got to sit in the oversized chair/ ottoman forever. I got to pet you & tell you what a special girl you are. That I love you so much! I will hold those memories in my heart forever and reflect on them when I think of you. Rest sweet girl until we see you again.
