“ Hello little man! I guess you are already aware that Soxxie has crossed the rainbow bridge... I am sure you were there to meet her! Show her around and let her know how much we miss you both! This is where I will be sending you and her messages for a while until I create a face book in all your memories.. It helps me much to talk to you and write down my heart! Love you much and look forward to seeing you again some day when I too will cross that rainbow bridge. Until then, Happy trails! Love, Mommy and Daddy
