Duffy Shrum, Barrett, Sligh 2005-2018

Duffy Sligh transitioned from this earth on May 18, 2018 to Rainbow Bridge where his Aunt Vickie was waiting for him! 🌈

Duffy has had three moms in his life First Debra Shrum, then Rhonda Barrett, and lastly the most devoted Mom, Deloris Sligh

Dee's lil"man (as she called him) was born in Ramona Ok Then I found him in a pet store in Owasso, Ok and brought him home even though we already had three Westies, I just felt so sorry for him in that cage!

It was very apparent the first year Duffy wanted to be an only child.

Rhonda Barrett adopted him and he moved to Redondo Beach Ca and I might note Debbie nor Rhonda would let me fly him out there, they didn't want him on a strange airplane so he was transported by car to California and lived with Rhonda for several years at which time her job transferred to Phoenix Az and he took up a new hobby chasing wild hogs, oh boy can you imagine the phone call I got, Duffy's going to get eaten by these hogs, can I give him to Dee Sligh which was her sisters best friend (Vickie Humingbird) and the plus side was Dee didn't have any wild hogs lol!

Again no flying Duffy was transported by car and they met in Albuquerque to transfer him from Rhonda to Dee.

Duffy has lived in Tulsa for the past eight years and went pretty much wherever Dee went, anytime you see Dee, Duffy is right there hes the big white Westie in the orange cart you see at Home Depot, he's had the best life and as always it's never long enough but this lil man is loved by so many people.

I've been fortunate to be his only Dad all these years and among Dees friends and family I'm known as Duffys Dad!

He is survived by his brothers Scotty & Julian and sister Molly of the Shrum home, his three Moms Debbie, Rhonda, and his most treasured Mom Deloris Sligh along with many many more family members.

Duffy will forever be in our hearts ♥
