JE

“ *Ellie was such a sweet girl. She made many memorable road trips visiting a long list of state and national parks. Her last big road trip was just this past Christmas to visit family in the Houston area. Though her health was rapidly declining, she bravely endured each rest stop and greatly enjoyed being surrounded by her loving family upon reaching her destination. We shared the back seat on this last road trip and she was a great companion. Rest in peace, sweet Ellie.*
