*Enya, we are going to miss you. I am blessed to know such a wonderful little pup. I am so glad you came over to play with my pups. You should see Sebastian and Heidi there. You all play together and have lots of fun. We will see you before you know it.*

“ Enya came into our lives on September 13, 2014. She was a 2 year old Cairn Terrier/Poodle mix rescue with Oklahoma Westie Rescue. We fell in love with her the minute we held her and knew she had to be a part of our family.

She was a joy to us! She enriched our lives, as I hope we did hers. Walks and naps were her favorite things to do. Except eating, of course. She loved her snacks! She also loved sleeping in bed with us.

I bought a sign that is on our front door that says “A spoiled-rotten dog lives here”, and that’s what she was. Loved and spoiled. ❤️

Enya lost her eyesight in 2023 and developed congestive heart failure, which eventually led to her death on September 21, 2024.

We miss her deeply 😞, but she will live forever in our hearts.

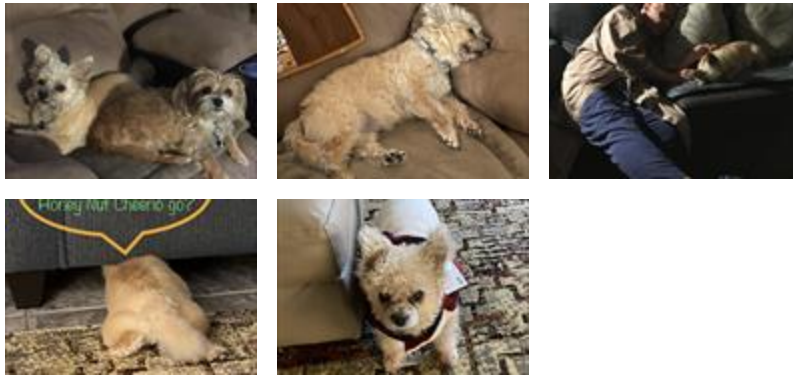

We love you, Enya, and always will. 💕💕 Mom & Dad
