“ Fernando came into our life at a time when we needed him the most. After I lost my sweet Luna, Fernando appeared as a lost dog. My mom found him and spent weeks and months trying to find his family, but no one claimed him. Slowly but surely, Fernando became part of our family.

He was definitely hard-headed, but he also made the best cuddle buddy, a loyal companion, and a source of comfort when we needed it most. When I moved away to another state, I felt so much comfort knowing he was there, taking care of my mom when I couldn't.

I'll miss Fernando more than I can put into words. Even from afar, he was such a big part of my heart. Thank you, Fernando, for everything. Give Luna a big hug from me in dog heaven. I'll love you forever.
