“ I will always remember how she would wait for us to get home from work. She would be so excited and barking like she was the Alpha Dog! She would run around and rub her head at the bottom of our bed comforter and then go bark at Mike like she was real tough and in charge. We miss you so much Freckles!!

I have always loved this picture of her in the snow from the blizzard. I remember when I kept her one year and it snowed, she and Rilee tore up the backyard running in it 🤩

“ Freckles will always be in our hearts. I can see her staking moms bed out as her own. I'm so sorry for your loss. I know Heaven gained a sweet little angel girl 🐾. There will never be another one like Freck!
