“ Frances would yell “GAAARY” from the complete other side of the house and he would come sprinting. He was so funny and cuddly and put up with Frances making him dance for music videos. The best little man ever!!

“ Gary was a big part of the Fuller family. He loved when his mom Frances would come home to play with him and cuddle him. You always knew where to find Gary if you wanted to pet him as he spent a lot of time on his heating pad in the basement. He will be deeply missed and tonight I will be having some White Meat Chicken Florentine in his honor.

Rest in peace.

“ Gary was a big part of my childhood with my cousins Max and Frances. I remember when he gave me hives after getting home from a long road trip from Gulf Shores, AL and Aunt Sadie had to give me Benedryl. I had never had a reaction to cats before, having some of my own at home. I also remember Frances’s Gary voice that we used to laugh for hours listening to him sing and talk to Albany. Gary will be greatly missed and I am so sorry for the family’s loss.
