“ If you took the time to read this, I thank you.

Ginger was the sweetest of all the dogs you could imagine. She was a chihuahua mix. Unfortunately we never knew her age. She came to us in 2015 in Beaver, Oklahoma as a stray. She is survived and deeply missed by her best friend and “brother” Bo, her cat “sister” Rosie, her pawrents, and human brother and sister. She was a dog of many names and was known as “Ginger”, “Gingy”, “Pantski”, “Pants”, and “Puppy Love”.

Our hearts will be empty without our sweet girl.
