“ Harli was the best dog to have <3 She would be anybody's best friend! She was always so loving and sweet and I'm glad to have the time with her that I did. You'll be missed, girl. With much love, Sarah <3

“ Harli was the best baby girl. Harli loved everyone. We will never forget your love rolls and all the time you sat on the front porch with us. You loved us as much as we loved you. Love you forever, Momma and Daddy
