Brenda Higgins - September 26, 2019 at 05:51 PM

My sweet puppa Holly passed on September 23, 2019. She was almost 18 years old. She came to live with me when she was 4 months old. She came home today to be placed by her sister.. She is so missed. My home is quiet. I thought I heard her bark early in the morning hours. I had to check. She was not there! I love you lil Miss.
