

## Izzy Fuller

July 26, 2024

No obituary found for this tribute.

# Tribute Wall

“ *Izzy was my companion for 13 years and will be missed. She had a sassy attitude and loved to sleep with me. I'll remember how she would sneak out of the yard go to the neighbors and steal toys, shoes, or whatever caught her eye. She leaves me just after I retired and could have spent more time with her. Izzy I love you.* ”
