“ Jasper had a rough start, but Neovella and Stephanie turned that around when they brought him into their hearts. He spent his many years in a loving home, surrounded by people who adored him, and reached the finish line knowing that he was loved and cherished. He was a wonderful dog, and will be missed dearly.

“ I will miss our sweet Jasper boy, he was so gentle and the Best Big Brother! I will miss seeing you out in your backyard sunning and barking into the sky letting everyone know your there. I love you and hope to see you again someday!
