“ I watched her Born from the first day. She wobbled right up to me and picked me . She was my precious Angel 🙏 since that day on. Your my sidekick, ride or die, my beat friend in this cruel world. You made our lives bright with the sunshine that you were. Life was beautiful with you in it. Me and Daddy love you . You are always our girl. I will think you each day of my life forever. Mommy little bitty baby doggie. 🐕 mommas Botini. I'm lost now without you Jax. I wish you would please come back home to me and daddy. We are lost without you 3 buttons.
