“ Jaxson bonded with me the first time I saw him. I walked into his new home and he met me at the door with a big hug. We were eye to eye with his big paws on my shoulders. Always gentle and always happy to see me.
He is missed❤️

“ Jaxson was always a great greeter when I'd show up to visit. He loved everyone, but it was always very clear that Kurt was his hooman. Jaxson loved Kurt and stayed close to his boy at all times. I know Jaxson will always be watching his best friend from Heaven and cheering him on.

“ I will always remember the time when we were at the dog park a Jaxson runs up to this lady wearing purple pants and just hikes up his leg and starts peeing on her
