“ Jellybean would've turned 17, on August 12th. She was such a good, and ornery, little soul! The love she brought to our home was never ending, and she definitely was the queen and ruled the roost. We miss her so much, but we're at peace knowing we gave her the best life, and care, possible., while she was here. Mimi & Tally will take over now, and love on you until we see you again! 🐾❤️
