“ Jerico was more than just a dog. He was our family. He helped me get up and get out of bed and start living after losing my brother and mother in less than six months of each other.

“ Jerico was born in Cedar Rapids Iowa to a black schnauzer father and his mother was a silver schnauzer. He had three black brothers and three silver sisters. He was the only silver and black. Jerico was a world class traveler and flew on an airplane several times. Jerico traveled from Las Vegas, Florida, Georgia, Texas, and many other places. He was well loved by all of his family and spent a lot of time on different military bases visiting his nieces, nephews, aunts, and uncles. He loved everyone and anything he met he was cool about it. One of his favorite things to do was hiking, walking, and running trails with his mom(Lisa). He also enjoyed fishing with his dad(Mark). He would get between his legs and bark the fish in. If you caught one he was helping you bring it in. In fact we had to stop using a stronger because he would wade out and use his paw to grasp the stronger to bring them to shore. That's why we had to start using a basket, but he would still bring them to shore. He enjoyed laying on his blanket, on the dash, while riding in the motor home to see where we were going. Jerico was very smart, loving, and enjoyed cuddling. He was my cuddle brown eyed boy.
