“ *Amelia- I will miss you so much. You were a wonderful kitty. And I'm so glad you found Sylvie to live with for the rest of your life.*

Sylvie- When you came to live with us I was so happy. We had finally found the perfect indoor/outdoor cat. Thank you so much for coming to us and giving me such an amazing five months. Before you came to us I would often cry because I wish I had a kitty. It made me so happy to have somebody cozy to snuggle with at night. I'm going to miss you so much, but I'm so glad we will still have you in our house in a peaceful little urn. Rest in piece Kitty Boi Midnight Waylon Jennings.
