“ *Lily was a very special girl. She was your shadow. She went everywhere with you. Lily was the coolest Truck-driver pup ever. You gave her a great life with love and adventure. Lily always had a smile on her face. Her favorite place to be, was with you. I know you love Lily dearly and I know she loved you the same. Through sunshine or storm, she was always beside you. Lily loved your little family so completely and was always on guard over the baby. She is with Mesa now and in no more pain. I love you Lily Bean and I love you Chris*

“ *There is no greater friend in the world, she helped me through the darkest times, by being a little light.* ”
