

## Lou Golden

March 30, 2011 - January 16, 2019

Our best friend, Baby Lou  
If love could have saved you,  
you would have lived forever.

“ If anyone is interested in donating to help cover the cost of diagnosing and cremating Lou, I have made a GoFundMe in her honor. It'll help get us back on our feet and take one of her kittens she had in the past that we kept, to the vet to see if he also has kidney disease. The vet told me it was hereditary.

Anyone who donates \$20+ will get a free digital drawing done by myself. Thank you.
