“ Maggie was an amazing dog, I remember the summers spent with my aunts Toni & Lana and how cool their dogs Maggie & Sadie were. They were big lovable goofballs who loved to climb all over you and lick the skin off of your face! I recently got to love on Maggie on my aunts back deck and she was just as I remembered. The sweetest dog anyone could ask for. You will be missed Maggie, by many but especially by your family.

Rest in doggy paradise baby girl!
