“Maggie you were the most amazing service dog ever. I cannot explain how much you have helped me these past months when I was going through the hardest times of my life, you were always by my side. You loved to go running with me and sleep with me and eat all the hotdogs you could. You will never be forgotten. I wish I could have seen you one more time but I wasn't ready and I don't think I will ever be but now I know your in heaven happy and pain free eating all the hotdogs in the world. I love you sweet girl.
