“ *My beautiful Maxi Dog. It has been 20 months and 14 days since I last saw your beautiful eyes looking up at me. I still cry for you, but your son Thunder tries to comfort me and fill the void that was left in my heart the day I lost you. You were one of a kind Maxi and I will always love you and have a piece of my heart in doggy heaven. Love you, Your Mom*

“ *My sweet, beautiful Maxi Dog. You have been gone for a week and it has been gut-wrenchingly lonely without you. We all miss you so much but Thunder is totally lost without you. Thank you for being my dance partner for so many evenings, there will never be another dance partner like you. I love you Maxi Dog and I will never, ever forget you. Your Mom.*
