“ *Maxey my dear baby girl. I picked up your remains yesterday, you have been gone 11 days now and I feel lost without you, I still cry my heart broke 💔 in 2 pieces the day you got your wings. Every time I eat something you liked I can still see your face and those gorgeous brown eyes 🥺 saying give me a bite Mom, and look over to your spot next to me to give you a bite, but you're not there but I know you're in spirit. Come visit and leave me clues you are here. Love you forever baby girl.*
