“ I remember the day you brought her home and you brought her to meet Aunt Sheila at work. Such a Special Little Lady. RIP . You were such a DIVA

“ Mazie was a one of a kind special girl. She loved dresses with lots of ruffles. She would shake her bootie when you said ruffles on the butt. She Loved “putting” on makeup and perfume especially lip gloss. She would look at herself in the mirror and smile. She was a daddy’s girl all the way. She was never more than a few inches away from him at all times. Mazie was big sister to Gracie who passed a few years ago, Sammie, Finley and Zylie. She kept them in line at all times. Best 13 years ever with her and know she is in heaven running around and smiling down on us.
