"Although we are apart,
your spirit lives within me,
forever in my heart."

"The first time I laid eyes on you,
I knew right from the start,
That you were meant for me alone:
you left paw prints on my heart."

Milo aged 10, passed on March 09, 2022. Milo was our very first fur baby. Although, he was three pounds his personality was mighty and fierce. From the day we brought him home everyone knew he was the boss. He was given to our family and for the last five years, he was spoiled. His all-time favorite was chicken and he could smell it miles away. He will be missed dearly by many but mostly mom and dad. I will miss our snuggles, your smiles, but most being greeted by you daily after work.
