“ *Nala was just a few weeks older than my puppy, Dasha & they actually looked like long lost sisters. My most fond memory of Nala was our doggy Facetime date. Dasha & Nala looked like twins and it was the most darling thing. Im thankful for the love she gave my dear friend Isa. She was one of a kind & is missed dearly☐I tried so hard to find a screenshot of the facetime date... one day I'll stumble on it & smile. Love you Isa.*

“ *Nala was a sweet baby. She loved road trips, chicken & cheese treats, playing fetch, and getting all the snugs. Her joy was visible in her smiling face, and she made everyone around her smile too. She is remembered by her mom, Isa Cournoyer, and her memory lives forever with her aunties - Aliceson, Awna, Sophie & Taylor, her grandma Sharol, all her cousins and her brother Digs. She is welcomed into the spirit world by many of her friends and family that will continue to love and play with her.* ”
