“ I am sorry about Nike. She was such a joy to be around. I tried not to get her into trouble, but I just loved how she just got so comfortable with me and would swirl around me, it always made me laugh. She knew I really enjoyed her when I came to visit.. She was such a good companion I am sure. She seemed to be such a good, loyal dog. I am glad to have such loving memories. Our animal friends can bring so much joy in our lives. She was a blessing.

“ *I love you baby. I miss you so much! My heart aches for you every day! You were are my best friend, my companion, day in and day out, not just my service dog. You helped me walk and could sense my seizures. I never thought I would ever have to be without. Sleep well my precious baby.*
