“ *My old man was the best thing to ever come into our lives. In the last 13 & a half years he went through high school with me, a move to a new country, college graduation & the biggest move I've ever done, from Florida to Oklahoma. He loved the beach, treats, fruits, & butt scratches. My world will never be the same without him & I'm so grateful to have been his mom for as long as I did. The best miniature schnauzer in the entire planet! Te amo viejito apestoso. Nunca lo olvides. Eres & siempre serás lo más lindo que me dio la vida.*
