“ *P.D. is playing with his doggy family: Chloe, Daisy, Angel, BJ, Mandy, Molly, and Sophie. They all met him at the Rainbow Bridge and he feels happy and young and healthy again. He touched all our lives in such a wonderful, sweet, and loving way. Love you P.D. Con Peso and we know you'll be waiting for us and watching over us. Aunt Janet, Uncle Mike, Cameron, and Nuggy.*

“ *Although we rescued our beloved P.D., in reality he was the one who rescued us. We love you P.D. and will see you again.*
