“ My sweet Porsche Juliette. You have almost been gone for 1 year. You are like my child. I loved you more than you will ever know. We miss you so badly. We think and talk about you daily. I keep your ashes in our living room along with your last luxury sweater you last wore. No other dog will ever have a personality like you had. I miss tucking you in at night. I love you Porsche!

“ *Porsche you've only been gone for a few hours and we all miss you so much. You had a gigantic personality for a 4lb. Yorkie. Your absence from home is heart wrenching. You were the boss. You're running with all your siblings and I'm sure you're bossing them around* ☐
