“ Princess was one of the best little dogs EVER! The littlest dog out of the bunch I didn't think she would make it through the night but she did and I immediately became protective of her I bottle fed her and cleaned her when her mom stopped and at 4 weeks old I gave her to my little cousin glad to know that I could continue to see her. And after 15 years of being in her life she never forgot me she was my little nubbie I said my goodbyes and cried like a baby when it was time for her to cross the rainbow bridge I enjoyed giving her ice cream and getting my kisses she was a very good girl and she is certainly missed I love you princess I hope you are playing pain free and freely with your daddy puppy your brother spike and your sister brown suga ❤️🧡💛💚👤💜👤👤🐕
