I love and miss you so much Princess Arabella. (Bella Boo) go chase that crazy leg of yours and give your daddy and your siblings' R.J and Kimmie Bear hugs and your Uncle beans and Henry and auntie Haily . may you all love the beautiful flowers across the rainbow bridge. “ I'm so glad Bella got to be apart of our lives for 10 years. She is the most lovable and amazing dog. I'm so glad her and my dad had and loved each other from the start, she meant the world to him and us and I'm going to really miss her, and miss her trying to catch her leg or swatting at us if we quit petting her for a second. Rest in peace, Bella boo. <3
