“ I thought of everything I could say or wish I could say to you, such a sweet loving guy, i just wish I could hug you and give you forehead kisses. I miss you so much, Luna misses you, Gramma doesn't stop crying, the house isn't a house without you, there's a huge missing part of me that left with you. We love you so much, I hope that you're resting peacefully, my sweet beautiful boy.
