“ Rick N Ruby..Sarge was a great baby and family and truly loved by both of you and everyone else that came in contact with him. We all are heartbroken and sadness with tears daily about Sarge. Jesus picked a good Service Dog, Sarge to lead the way for others and The good Lord knows Sarge has been cared for and shown how to love others and raised well. Jesus thanks you both for taking in & care of his Servant Sarge as his loving parents. GOD's Blessings to you both as heavenly parents. Job well done with love Sarge ❤️
