

Sassy Bloom

September 28, 2022

No obituary found for this tribute.

Tribute Wall

“ *Sassy is my girl. She and I had 7 beautiful years together and she was around 16 years old. Happy and healthy till the morning of. She was loyal, happy, silly, hungry, full of kisses, and not afraid of anything. She met death peacefully and wasn't afraid. She is the love of my life and my best friend.* ”
