“ *What a long full life of love Scooter had. He was almost 16 years old. He came to be a part of our pack at 4 weeks old and has been with us every since. He was a brave guy that's helped defend his pack against threats more than once. He was small but mighty. He was preceded in death by his adopted dog mother, Lily Dorney, his a adopted dog father, Buddy and his adopted dog brother, Cody. He left behind his newest pack members, Oscar and Birdie. And all of his grieving humans. This home will not be the same without him.*
