Tribute Wall

DH

“ One of a kind Bull Terrier he was an ambassador to the breed. Always happy specially if food was involved. He was Grand Champion invited to Westminster dog show in 2015. He loved to go and show. Even when he retired he had to get on the table and be groomed. He made it look easy and help train the younger dogs on how it is done. He was a great dog and will be greatly missed, he passed away in my arms in my recliner. God rest his sole. until we see each other again..
